

ILLEGAL DUMPING IN YOUR NEIGHBORHOOD

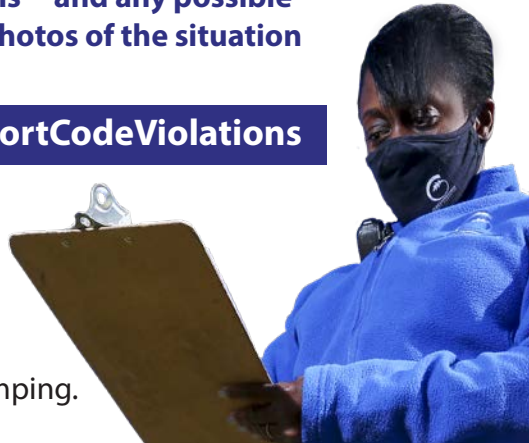

The City of Greensboro has cameras located in various areas that will take footage of these illegal dumping cases. These situations are probably a City code violation. That's why Greensboro's Illegal Dumping Ordinance was created.

Anyone identified illegally dumping material can be fined a \$500 civil penalty for the first offense and \$1,000 for all subsequent offenses.

Please report these situations—and any possible code violations—and take photos of the situation if you can. Go to:
